

A.SERIES

THE Knirps FOR ALL.

A.SERIES The Knirps for all.

The A.Series marks the beginning of a new era for Knirps umbrellas, opening up the world of the Knirps brand to everyone. The A.Series transcends generations, borders, norms and conventions. A true basic that offers quality at a low price while staying true to the promises of the Knirps brand.

A.SERIES As colorful as life.

Our preferences are as individual as we are. With eight colour variations, the new A.Series has something for every taste, from traditional to sporty to stylish, in the sleek, unique design Knirps is known for.

A.SERIES Quality at affordable prices.

The clear design, German engineering and time-tested Knirps technology with practical open-and-close mechanism and easy manual option. Just a few reasons why this Knirps is the one to know. The new A.Series: the Knirps for all!
